

Spicy Cats Rescue Annual Data 2023

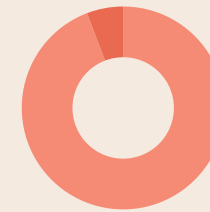

Cat Intake Trend Over Time

Highest Annual Intake Total
126 in 2021

Highest Annual Adoption Total
140 in 2022

Live Outcome Rate

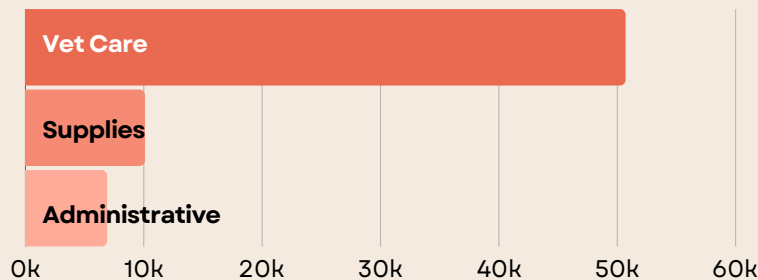

94% live
Adoption, TNR, transfer, owner reclaim, etc.

6% non-live
Died in care, euthanasia

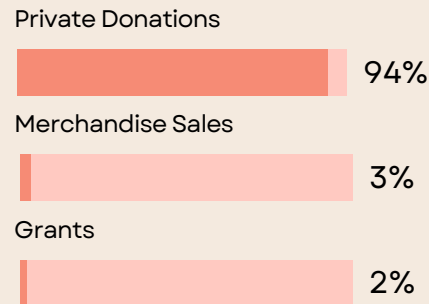

As an organization that specializes in hospice care for terminally ill or geriatric cats, we expect our euthanasia rate may be higher than others.

We do not euthanize due to length of stay or overcrowding. All euthanasias performed in 2023 were advised by our veterinarians due to severe, untreatable medical conditions where suffering was present.

Expenses by Category

Total Raised: \$73,236

Goals for 2024

- Fundraise for new facility*
- Find adopter for Benjamin Beans
- Increase community outreach
